Scher Shares

Last Thursday, Rabbi Eligberg joined us at Givah with a Torah in hand. As Rabbi said, "have Torah, will travel." The rabbi shared how the Torah is wrapped and revealed the beauty from within the Torah. He shared how a Torah is written and fixed. Campers got to check out the layout of the writing and see some key parts of the Torah that are spread out differently.

We look forward to Rabbi Eligberg joining us for the last Thursday of the summer as campers will have the opportunity to explore the Torah further and even read a verse or two from it.

Shabbat Shalom,
Dan Scher

Save the Date!

Imagine That

Have you ever dreamed of being in a movie? Have you ever dreamed of making a movie? Campers in grades 3-10 can sign-up to create a story and develop a script!

Undernight/overnight 8/6-8/7

Campers in Gan and 1-2 are invited to join the older campers for part of their superhero overnight. Our younger campers will enjoy an afternoon swim, a bbq and a bonfire! Parents are invited to join for the bonfire at 7 pm and then take their children home.

Staff Oneg Shabbat-8/9

Come at 2:00 and enjoy dancing, singing and fresh made challah as our Staff lead us in Oneg Shabbat.

Find out some highlights from this past week...

Gan (3-5 Years olds)

Gan had a fabulous week! We sang, danced and learned prayers for the awesome oneg we had. They were the best oneg yet! Magic Forest was so much fun and full of magic. Our highlight was boating with Naarim and swimming with 1-2! Can't wait for week 7 and 8!

Shabbat Shalom!

Miriam Rosenberg, Ariella Kovach, and Melissa Kearns

Tseirim (Grade 1-2)

Juan 2 had a crazy week. We had the best time at the magic forest. They weren't kidding it is pretty magical. We even got to dance with a Dino. We had not one special guest this week but we had two special guests. First we created glow in the dark monster boxes with Amy! We got to sing about peace, the environment and love with the Music mobile!

We can't wait for week 7 and week 8.

Love is all around,
Leo Rosenblum, Haley, Erin, Gayle Abrams

Shorashim (Grade 3-4)

We can't believe that it's already week 6! We had so much fun this week during Yom Omanut, where we painted dolls and decorated them with beads for arms and legs! We also had fun playing volleyball and going into the lake for Tefillot on a Boat! We also had the best time at The Fun Spot while roller skating, playing laser tag, and so much more! We're still learning new songs and dances, and participating in great activities for limud! Can't wait to see what's in store the next two weeks!

Shabbat Shalom,
Samson, Shajar, & Arielle

Nitzanim (Grade 5-6)

This past week was extremely busy. From field trips to tournaments to Givah Shabbat preparations. We loved meeting our new campers and celebrating some birthdays. Everyone had a great time singing and dancing all week and we had an especially great time at the fun Spot on our field trip.

Shabbat Shalom,
Bina Kovach and Noah Greenblatt

Na'arim (Grade 7-8)

Week 6 has been filled with lots of fun! The Lake George overnight was the highlight of the week! We had so much fun white water rafting and camping with the Bonim. We look forward to leading a prayer and seeing you at Givah Shabbat. Can't believe we only have two weeks left together!

Shabbat Shalom,
Marisa, Jacob, Shore

Bonim (Grade 9-10)

Bonim had a thrilling week. Lake George was a blast! We walked through the village and went White water rafting. We are so happy to be a part of the Givah community.

We are excited for weeks 7 and 8.

Truly,
Shaina

Sport

This week was probably our most successful tournament yet! Campers as well as staff participated in our volleyball tournament and it was a really great opportunity for everyone to learn some new skills and games. This was many of the kids first time ever playing volleyball and they all did a fantastic job!

Noah Greenblatt

Breicha (Pool)

We had a great week in the pool! The campers are doing a fantastic job improving their strokes, water-safety skills, and confidence. The hot afternoons this week led to some super refreshing free swims. Thanks for an awesome sixth week! See you Monday!

- Caitlin and her lovely lifeguards

Briut (Health)

This week the mobile Mirpa'ah got to join the Naarim and Bonim campers on the overnight in Lake George. Everyone had tons of fun white water rafting, exploring the town and camping out. Back at Givah all the campers continue to be doing a great job staying hydrated and being sun smart.

Message of the week: Sunburn can strike even on a cloudy day - apply sunscreen in the morning no matter the forecast!

Rikud (Dance)

Week 6 was an amazing week. Gan practiced their dance and had an Oneg prep, where they learned what would they be doing during Oneg. Na'arim began learning their Zim dance and really enjoyed it. All the groups also started learning the finale for the Zim.

Have a great Shabbat!
Noa Bahir

Shira (Song)

SHAAAAAAAAAAAA dai dai dai dai dai dai dai!
 This has been another great week of singing while we start to learn all our zim songs and I'm super excited to show the whole community what we've been working on. I can't wait for Gan Oneg this week. We are doing a song perfect for this HOT HOT week as it is about the thing we all scream for! Shabbat Shalom!
 Sawyer Harrington-Verb

Limud (Education)

This week in Limud, we continued to learn about what it means to be a part a team and thinking of different strategies to accomplish our goals. Then, the Gan did an amazing job with the Shabbos blessings and D'var Torah at Oneg!

Can't wait for next week!
 Shore Goldberg

Omanut (Art)

What a fun week! On Monday we had a special guest artist... AMY R. We did so many fun activities from glow and the dark boxes to painting the art building. We are so excited for the following week of Omanut.
 With love,
 Shaina

Teva (Nature)

I headed to Five Rivers this week to borrow some of their Tails by Mail kits. These kits cover a range of topics and I got to check out the mammals and owl kits. The campers loved exploring preserved animal skulls, real fur and books. We look forward to more Teva exploration! **Jacob Stryker**

Ivrit (Hebrew)

Magical Disney Worlds this was our theme of the week!! We learned the words: Ar-mon = Palace, Chatuna = Wedding, Nasich = Prince, Ne-si-cha = Princess, and Nof-far = kind of a flower...if you ask yourself how the flower Noffar is related to them? Well, this is because our former consular Misha is getting married in Israel with his fiancé Nofar, so we sent them a video from our morning "Tefillot on a Boat" from the Agam (Lake) and we learned the name of the famous yellow flower that grow in the Agam, which apparently called Noffar as well ☺☺ We wish Misha and Nofar lots of Mazal Tov and a magical wedding.
